28 March 1966

MEMORANDUM FOR: CODIB Working Group on Emergency Planning

SUBJECT: CODIB Meeting, 24 March 1966

1. At last Thursday's CODIB meeting, there was brief discussion and tacit approval of our paper [redacted] (EP-D-2). I explained to the Committee that this is a complete reworking of the list prepared in 1962 and that we had reviewed the current [redacted] for every addressee on the list. I singled out the efforts of [redacted] and Major Childs in getting the job done. I reported that the list has been distributed to all members of the Working Group [redacted]

2. [redacted] of DIA felt that the list did not make clear to the uninitiated [redacted] consists of the most important finished intelligence series classified no higher than Top Secret. Colonel Morneau of the Air Force asked if there was a list of [redacted]

25X1

[redacted] The Chairman commented that there is no required list but that each addressee receives material according to its own statement of requirements.
